Title status assessment and implications

Clean Title

This vehicle has no history of total loss, flood, or fire damage. It has only two minor collision incidents with low compensation ratios. A full structural assessment confirmed all body components are in normal condition.

KEY FACTORS

- 1

No structural or frame damage
- Based on: A full structural assessment showed all 12 body components in normal condition with no damage detected
- 2

Only minor collision incidents
- Based on: Two minor commercial insurance claims with a maximum single-incident compensation ratio of 4.00% indicate only low-impact damages
- 3

Continuous insurance coverage
- Based on: Commercial and compulsory insurance have been maintained continuously with no lapses
